Sir:

INTERVIEW SUMMARY

This communication summarizes a June 20, 2005 telephone conversation between Douglas Washburn of the USPTO and James Valentine and Patricia Leshnock (Patent Administrator) of the Westinghouse Electric Company and a first telephone conversation between Messrs. Washburn and Valentine earlier in the day regarding a Notice Of Informal Application.

Mr. Washburn stated that the USPTO's file indicates that a Notice Of Informal Application was generated. Mr. Valentine advised Mr. Washburn that the Applicant did not receive the Notice. Mr. Washburn checked the PAIR system and did not find an entry indicating that the Notice was sent in USSN 10/816,146.

Mr. Washburn noted that the last correspondence in the file of USSN 10/816,146 indicates that a Gerald T. Gray (as attorney for a Paul Taylor) filed a Request For Withdrawal As Attorney Or Agent, which request erroneously indicated the application number for the Taylor case as USSN 10/816,146. Messrs. Gray and Taylor have no relation with USSN 10/816,146.

Mr. Valentine notes that Ms. Leshnock had contacted the USPTO's Kimberly Duncan (571-272-1571) between the two above-identified telephone conversations. Ms. Duncan advised that her [Ms. Duncan's] records indicated that correspondence in this application would have been sent to Paul Taylor. Ms. Duncan was to have corrected the USPTO's records to indicate Westinghouse Electric as the appropriate addressee.

Mr. Washburn requested the Applicant to submit a supplemental declaration or supplemental data sheet indicating the inventor's home address.

Respectfully submitted,

Attorney for Applicants
